The Sound Choice for New Hammond Organs

Content Organs - Pastorale Series

The Pastorale series, elegantly styled in the form of a Positive console, consists of a two manual organ offering 37 stops, a two manual organ offering 47 stops and a so-called floating positive, to be played on any of the divisions of the organ. In addition, a three manual organ featuring 53 stops for the Great, Swell, and Positive is being offered, this time including a floating Solo division with Chamade stops.

The Solo can be played from every division of the organ. The Pastorale organs are available in virtually any type of wood and feature original decorative organ pipes and wooden draw stops according to the best traditions in organ manufacturing. The Pastorale series organs offer inbuilt amplifiers and speakers both mounted in the lower and the upper part of the console, where you may control the balance between the upper and lower speakers.

These magnificent instruments, both in appearance and musical qualities, will bring admiration and a dramatic authentic sound to performers and audience alike for many years to come.
