The Sound Choice for New Hammond Organs

Viscount Crescendo Digital Piano

The Viscount Crescendo is a simple and affordable piano that offers high quality piano sounds at a budget price. The cabinet is crafted completely in wood and the full hammer action and advanced IS4™ technology are components you would expect only in higher priced models. There are 6 built in 'one-touch' piano sounds as well as 6 digital effects and a one-track recorder. There are two headphone connections for private practice or teaching situations. Ebony Satin finished all-wood construction and roll top key cover make the Crescendo an elegant addition to any setting - at an ultra-affordable price!.

Specifications:
