The Sound Choice for New Hammond Organs

Viscount - Digiplay

The Viscount Digi-Play™ combines exquisite European styling with a factory-installed 'player' piano system as well as our most advanced piano technologies. Now you can enjoy 'live' music in the comfort of your home! The exquisite design and specifications meet the high standards of European piano crafting tradition which make the Viscount Digi-Play™ an elegant addition to your home decor. The built-in ensemble features allow you to use rhythms, over 500 different professional quality sounds, programmable effects, and a 3.5" disk drive for storage and playback. All of these features are packed in a beautiful 4'2" all-wood hand polished baby grand cabinet with brass plated pedals, dual-prop lifting piano lid, roll top key cover, one-piece brass hinge, and split brass caster wheels. The Viscount Digi-Play™ - European sound & craftsmanship that provides years of musical enjoyment!
