*The Sound Choice for New Hammond Organs*

## Viscount Princeton HP2

The Princeton HP-2 is an elegant and affordable piano that offers high quality piano sounds and an elegant 'look' at a budget price. The cabinet is elegantly styled in ebony polish finish with console-style legs and a sliding key cover. There is also a folding music desk and beautiful matching piano bench. The full hammer action and advanced PCM technology are components you would expect in higher priced models. There are 8 professional built in sounds that can be combined or 'split' and there is a convenient sequencer and practice metronome. There is a headphone connection for private practice or teaching situations. Perfect as an elegant edition to your home, the Princeton HP-2 is the perfect combination of beauty & technology - at an ultra-affordable price!
