The Sound Choice for New Hammond Organs

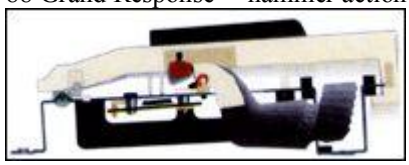
Viscount – Sinfonia Digital Piano

Description:

The Viscount Sinfonia combines the elegance of an all wood vertical piano cabinet with the benefits of an 'ensemble' digital piano. This allows you to use rhythms, over 500 different professional quality sounds, programmable effects, and a 3.5" disk drive for storage and playback. All of these features are packed in a beautiful hand-crafted cabinet with roll top key cover and our exclusive Acoustic-Chamber II™ sound system.

Specifications:

- 88 Grand Response™ hammer action keys for incredible piano action precision.



- 144 Built in rhythm styles
- 500+ Professional quality sounds including the XG® Plus sound set (Yamaha®)
