The Sound Choice for New Hammond Organs

Leslie G37 and G27 Guitar Leslies

Leslie G27 (Back)

The Beatles, Eric Clapton, Stevie Ray Vaughan, Pink Floyd, Peter Frampton and the Ides of March's Jim Peterik are just a few of the great guitarists that have embraced the unique and unmistakable sound of a guitar played through a genuine LESLIE speaker. We are proud to announce the G37- the first Leslie equipped with an onboard guitar amp, and the G27 if you prefer to use your own amp. These Leslies are truly portable and truly affordable. Whether electric or acoustic, it's the ultimate accessory for your guitar rig!

The Sound Choice for New Hammond Organs

Leslie G37 and G27

Specifications

- **Single Channel Input** Features low and high gain input jacks.
- **Two-speed horn and bass rotor:** Slow and fast speeds can be individually adjusted. Horn and bass rotor will automatically stop in the forward position when the stop mode is selected. This maximizes the sound towards the audience.
- **Amplifier (Leslie G37 only)** Vacuum tube preamp with 100-Watt RMS solid-state power amplifier.
- **Amplifier Input (Leslie G27 only)** Leslie's speaker system is capable of handling an external amplifier up to 100 Watt RMS.
- **Speakers** 12" vintage V30 speaker made with all original materials and a high-frequency horn driver.
- **Control Inputs** Channel Select foot switch, speed select foot switch (slow, fast, stop), variable speed control pedal (V-20RT)
- **Controls (Leslie G37 only)** Clean Volume, CH Select
- **Controls (Leslie G27 & G37)** Overdrive: Gain, Volume Contour
- **Cabinet** Slow rotor speed: fast rotor speed, Power switch
Rugged-built black painted cabinet is constructed of ¾" MDF, with protective corners and two folding handles.
- **Power Supply** 120V AC, 60 Hz
- **Dimensions** 29 ¼" (W) x 20 ½" (D) x 26 ¾" (H)
- **Weight** Leslie G37: 85 lbs, Leslie G27 : 82 lbs
- **Included Accessories** FS-10TL Dual foot switches, (16' cord included), enables the control of the speed of the rotors (slow, fast, stop).
- **Optional Accessories** V-20RT Speed control pedal, FS-1TL single foot switch used to remotely control Channel Select.
