The Sound Choice for New Hammond Organs

Hammond XT-273

Everything you've ever dreamed of in a home organ is here in this completely new luxury consolette from Hammond. Everything is brand-new, from the Drawbar system to the Digital Reverberation. And, the new warm Cherry finish adds luster and depth to your home furnishings. For the first time ever in a modern Hammond home organ, the Drawbar sound faithfully captures the famous "tone-wheel" sound of the incomparable B-3. New Digital voices give unparalleled realism and ease of use. And, the new Autoband Orchestra gives you 98 rhythms and scored arrangements to make you sound your very best. Add to this Hammond's famous Auto-Vari™ and Touch Tempo™ rhythm features, and you truly have not only the finest consolette home organ Hammond has ever offered, but the finest available anywhere!
